WHAT DO WE DO?

We are dedicated, like minded volunteers, who donate our free time to offer our skills, knowledge, and abilities and work as a team to provide assistance and support to the homeless.

Our strong and capable team of 1500 + volunteers comes with an incredible array of talents – cooking skills, counseling experience, nutrition experience and much more. In addition to our adult volunteers we have a large group of children who regularly participate in our sevas by cooking, creating brown bags and care bags or distributing Hot Pizza and snacks.

All our lead and co-lead volunteers are certified in food handling and have cleared TB tests.

What does Community Seva mean?

Quite literally, the word Seva means “service”. Selfless service, or Seva (a Sanskrit word), is a service which is performed with no expectation of any kind of return. We are NOT a religious or faith based organization. We serve because we care. Our goal is to serve the community around us and to serve the homeless, while feeding the hungry in the Bay Area. In addition, we aim to empower children, the future citizens of our world to learn empathy and participate by making a difference that they can see.

"At the end of our lives, we will not be judged by how many diplomas we received, how much money we have made or how many great things we have done. We will be judged by 'I was hungry and you gave me food to eat, I was naked and you clothed me. I was homeless, and you took me in' " - Mother Teresa
